

THE SHANNON BREEZE

The Reel is today probably the most commonly played of all the traditional tunes.

The Double Jig

The Double Jig is also very popular. We are going to try one now. The Double Jig is written in 6/8 time and consists of two groups of three. So you count /123 123/123 123/.

The stress is placed on the 'one' each time.

SAKOWS JIG
