---

Venues: Backyard, Cavan & Cavan Crystal Hotel

### “Forgotten Gems” Peter Carberry and Pdraig McGovern

*“When you listen to it, it induces a sense of meditation because of the rhythm, slow and very very beautiful. In this recording the use of the regulators of the pipes is complemented by the use of Carberry’s specially tuned accordion bass. It produces a combination of harmonies which melt into you as you listen.”*  
Tony McMahon Button accordion player and former RTE broadcaster.
